

Ken and Marianne Smith are currently engaged in the development of several Internet initiatives under the LegacyLife International brand – with projected launches during 2008.

[www.ElderCareDiary.com](http://www.ElderCareDiary.com)

Marianne & Ken Smith's personal story of caring for 3 frail elderly parents. (Recently launched)

[www.LegacyLifeInternational.com](http://www.LegacyLifeInternational.com)

Our umbrella brand – dedicated to supporting, challenging and inspiring enterprises in support of a meaningful life and legacy – to celebrate the fulfillment of meaningful service – and the joy of living a “LegacyLife.”

[www.LegacyLifeFoundation.org](http://www.LegacyLifeFoundation.org)

Our non-profit 501(c)3 foundation being formed to support charitable initiatives. Funding is from a percentage of LegacyLife International income plus private/corporate donations.

[www.ConcentrixWealthAdvisors.com](http://www.ConcentrixWealthAdvisors.com)

A team of financial, insurance and wealth management professionals dedicated to providing high-level advisory services to business owners, professionals, high-net-worth and high-income individuals, couples or families who feel a prompting to make a meaningful difference in their life – to leave a meaningful legacy.

The model has a special focus on introducing the power of charitable leverage to boomers... and on bringing wealth management counsel and services to the growing community of affluent athletes, entertainers and youthful entrepreneurs who share these values. (Launched July, 2008)

Commercial ventures – mostly LLC partnerships with like-minded entrepreneurs.

[www.iVideoForBusiness.com](http://www.iVideoForBusiness.com)

Authority site for utilizing video as a business tool on the Internet - leading-edge products, services and advice.

(1st product, Video E-mail, Launched January, 2008)

A team of like-minded, highly-experienced professionals in many fields and disciplines dedicated to bringing, via the Internet, their wisdom and experience in support of responsible entrepreneurship – increasing trust in the Internet marketplace and facilitating the connection of businesses to meaningful causes.

[www.FearLessProject.com](http://www.FearLessProject.com)

“Unchain my life from fear... today... and forever”

Applying the science of learning to provide people with a step-by-step path from fear to success. (Launching Fall, 2008)

[www.EverAgeless.com](http://www.EverAgeless.com)

Our boomer generation affinity site and e-commerce resource center addressing the unique needs of the largest consumer market in history (preview at [www.EverAgeless.com](http://www.EverAgeless.com)).

We have also trademarked “EverAgeless” with the goal to build it into a major international brand. (Launching Fall, 2008)

[www.LearnToLearnAlliance.com](http://www.LearnToLearnAlliance.com)

Changing the way individuals of all ages learn - in the U.S. and worldwide. Assessing the development level of 14 intelligences critical to learning, and providing tools to tune up the brain like a performance race car to compete in the 21st century. (Launching Fall, 2008)
